Dear Prijon customer,

here you see a list of spare parts for touring- and seakajaks.
This list will help you to identify the parts you need for your boat.
So the boat will be ready for use again in a short time.

In the pdf-file you find on page 2 the table of contents with links to the part groups.

If you do not find the part you need in this list just contact us and we will help you, of course.

Best Regards

Your PRIJON-Team
